*W*hat can I do to support my community and the cause of natural resource conservation, stewardship and education?

You can help by supporting the Chapter's work.

- Make a tax-deductible donation to the Southwestern Piedmont Master Naturalists.
- Provide in-kind support such as materials, labor, and services.
- Sponsor a Chapter event, function or volunteer project.
For examples of projects go to:
www.virginiamasternaturalist.org/southwesternpiedmont.html

Needs of the Chapter include:

- Education materials and supplies
- Expenses related to training program; guest speakers; advertising and marketing for activities and events; Chapter publications; and, scholarships for low-income trainees.

*W*ho are our donors?

Individuals, businesses, and organizations who support the Chapter's mission.

Your generous donation:

- Goes directly to support local community volunteer result-oriented projects.
- Will help the Chapter to encourage and recognize positive community programs.
- Provides businesses opportunities to highlight their positive environmental contributions to the community.
- Is an investment in the study, education, and stewardship of our community's natural heritage.

*W*hat benefits will I receive for my donation?

The Chapter will place values on services and in-kind contributions by letter of receipt providing a monetary equivalent value.
